

Meet our Child & Family Support Lead:

**MRS. MCENTEE**

## HELLO!

I am excited to introduce myself as the Child and Family Support Lead, here at Varna Community School. I have worked in primary education for over 15 years and feel privileged to have gained experience of supporting children across all key stages.

My role in school is about providing non-judgmental advice and guidance to children and their families at times of need. My aim is it to ensure that adults and children feel happy, safe and supported at school, home and in the wider community.

If you ever feel that you, or your child, would benefit from additional support please don't hesitate to contact me via the main office:
